

Team,

Without your support our club would not be successful. We appreciate all of your hard work on the candle sales and bake sales. The discount cards are in & we want to thank you for helping to sell the Ark City/Winfield Discount Cards. Your goal should be to sell 10 (or more) cards. Money raised will go toward helping to make the AC wrestling tournament a success (which helps pay for the entire season), and other club expenses. You are responsible for returning the money and/or any unsold cards. All of this information will be tracked on a spread sheet. If we can sell all the cards, we can bring in a big profit. This fundraiser does not take the place of working at Our Wrestling Tournament, which is required to receive full benefits of your membership. We are glad that you are passionate about wrestling and willing to help support our program. Together we can continue to build the AC Takedown Club and carry on the strong wrestling traditions of Ark City. Put on your best smile and ask friends, family, co-workers, and neighbors. FYI - It is important to sell the cards as quickly as possible.

To get your cards call or text Cami (741-1704). The cards cost is \$10, and below you will find the discounts offered. The discounts are good until 07/2010.

Thank You!!  
Jeff
